

Space Use Contract

Visual Arts Digital Lab and Darkroom for art and photo at River Hill High School 2013-2014

The nature of photography and advanced art classes at River Hill requires students to be in multiple places within the school during their class time, one of which passes through another class of students. Photography students work in the classroom (216A), the darkroom (S-117B), or the visual arts digital lab (S-203). Advanced Art students work in the classroom (216) and the Digital Lab (S-203). These guidelines and rules must be followed when working in those spaces.

DARKROOM

YOU CAN ONLY BE IN THIS ROOM IF:

1. You are in a photo class
2. Your teacher knows you are here
3. You take a negative carrier and put your name tag on the board in 216A

RULES:

1. If your name tag is not on the board it is assumed you are skipping class
2. This room is used **ONLY** for work directly related to Photo
3. Absolutely no food or drink
4. Do not allow anyone into the darkroom who does not belong
5. You must return to class on time, replace your negative carrier, and take down your name tag
